

The New South Wales

# Southern Highlands Conference

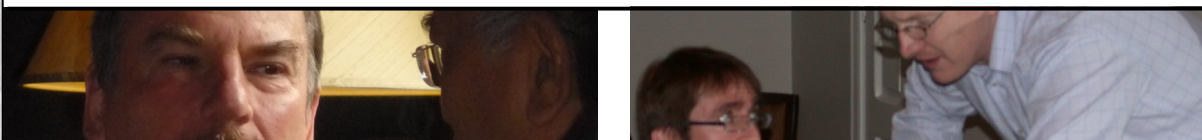

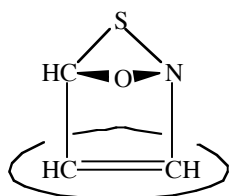

on Heterocyclic Chemistry

[www.chem.unsw.edu.au/research/conferences/shc2011.html](http://www.chem.unsw.edu.au/research/conferences/shc2011.html)

An international residential conference for  
industry and academia.

Invited plenary lectures and contributed  
poster presentations on all aspects of  
heterocyclic chemistry

... processes and manufacture  
... materials, natural & unnatural  
... synthesis, catalysis  
... bioactivity & ligands  
... structure, properties & theory  
... organometallics & coordination

28-30 August 2011

Peppers Manor House, Moss Vale NSW, Australia
